Hi Demo User 28!

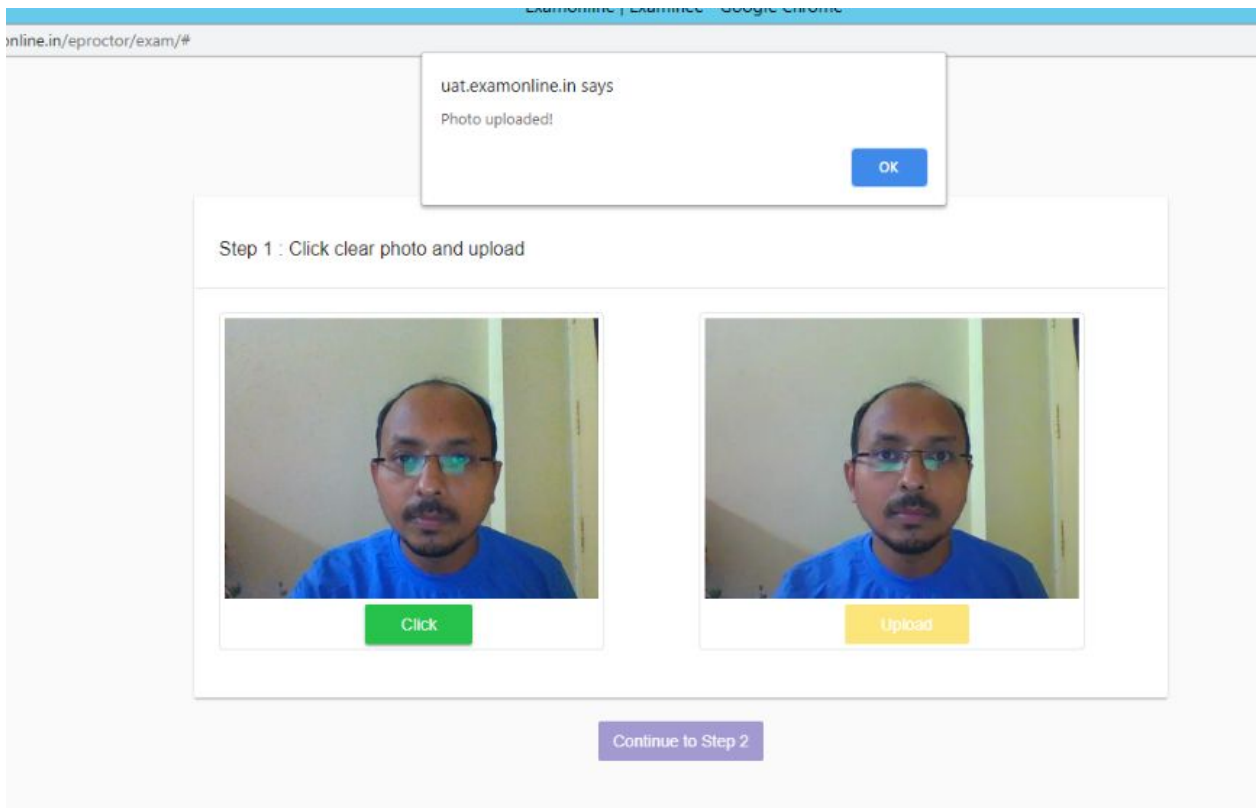

Kindly read the following instructions :

- You must sit in a silent room with no background sound
- There should be proper light on your face
- Ensure a plain and contrast color background behind you
- Before you start the exam, you need to verify your photo and ID card.
- Please go through the following 2 steps of verification process :
 - **Step 1** : Click your photo and upload
 - **Step 2** : Click clear photo of your ID card (eg. Driving License, PAN Card, etc.) and upload
- After this you need to click on the button 'Start Verification'.
- An authoriser will connect to you for verification.
- As soon as the authoriser finds everything ok, he will let you start the exam.

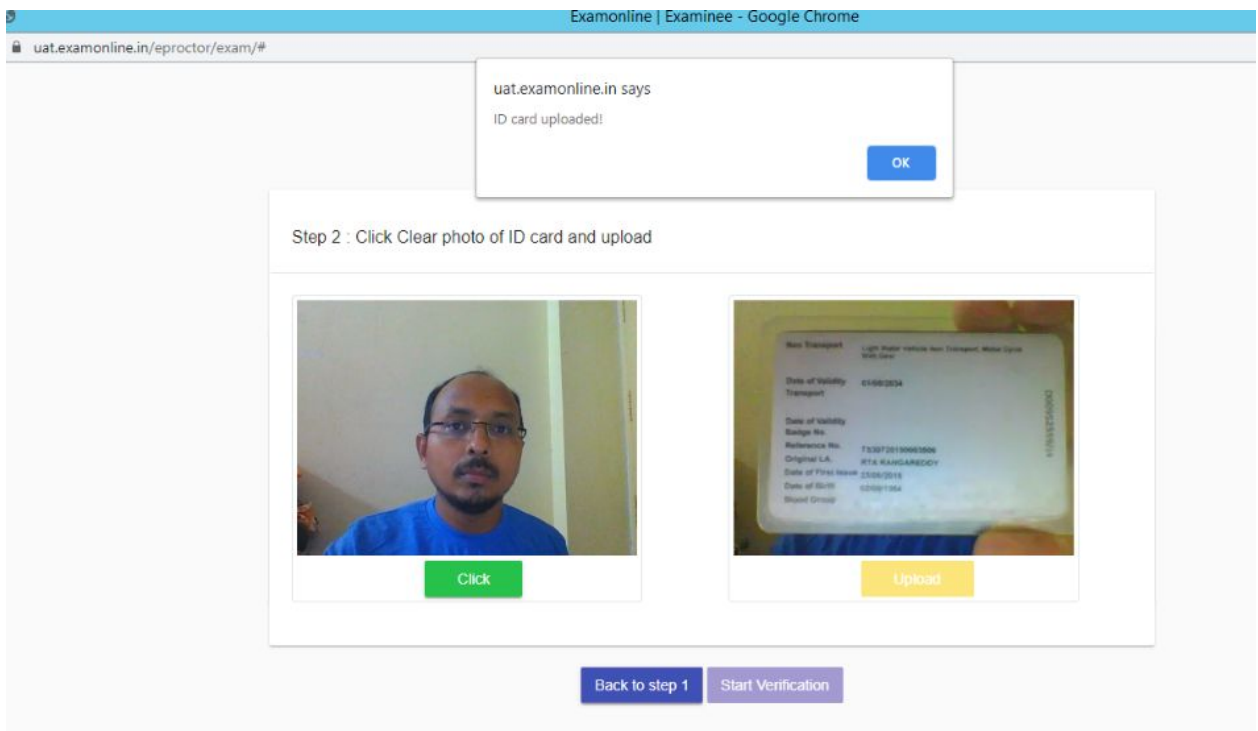

Continue to Step 1

8. Below screen will be open.

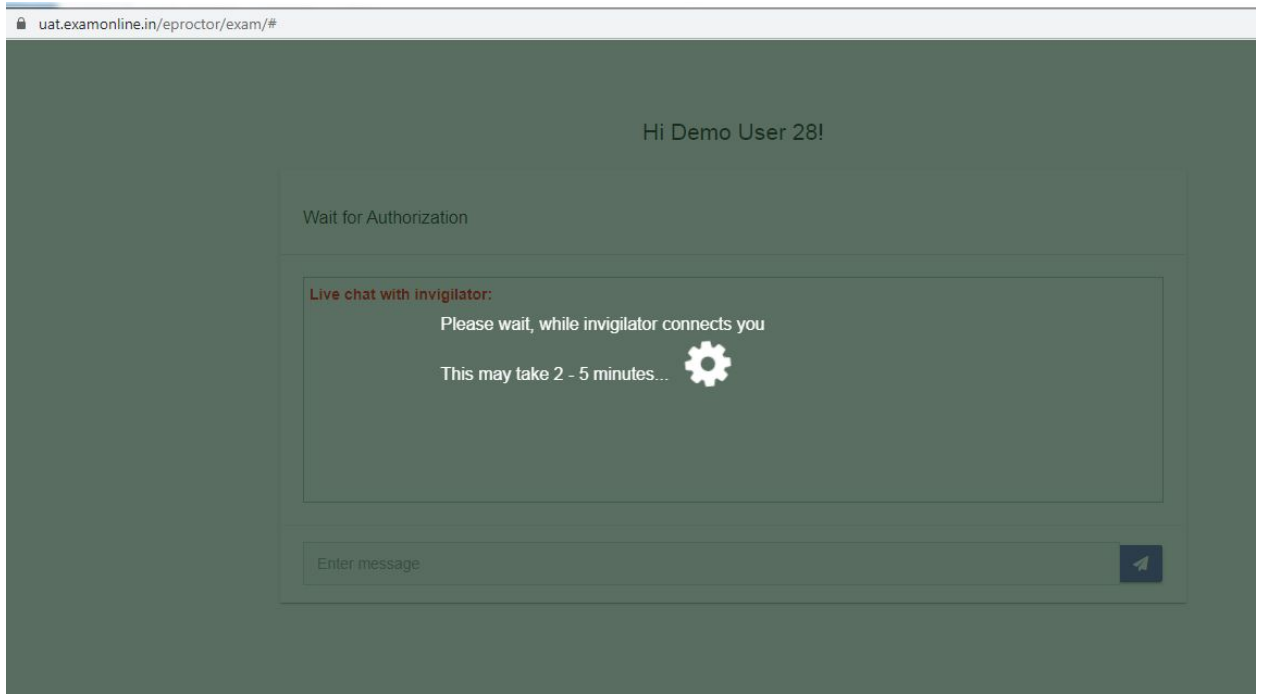

- Click a clear photo, then click on upload button
- 'Photo uploaded' pop up will be shown. Click on Ok
- Then click on 'Continue to Step 2'

- Repeat the same steps like above by capturing any ID proof/other Pic. Then click on 'start verification'

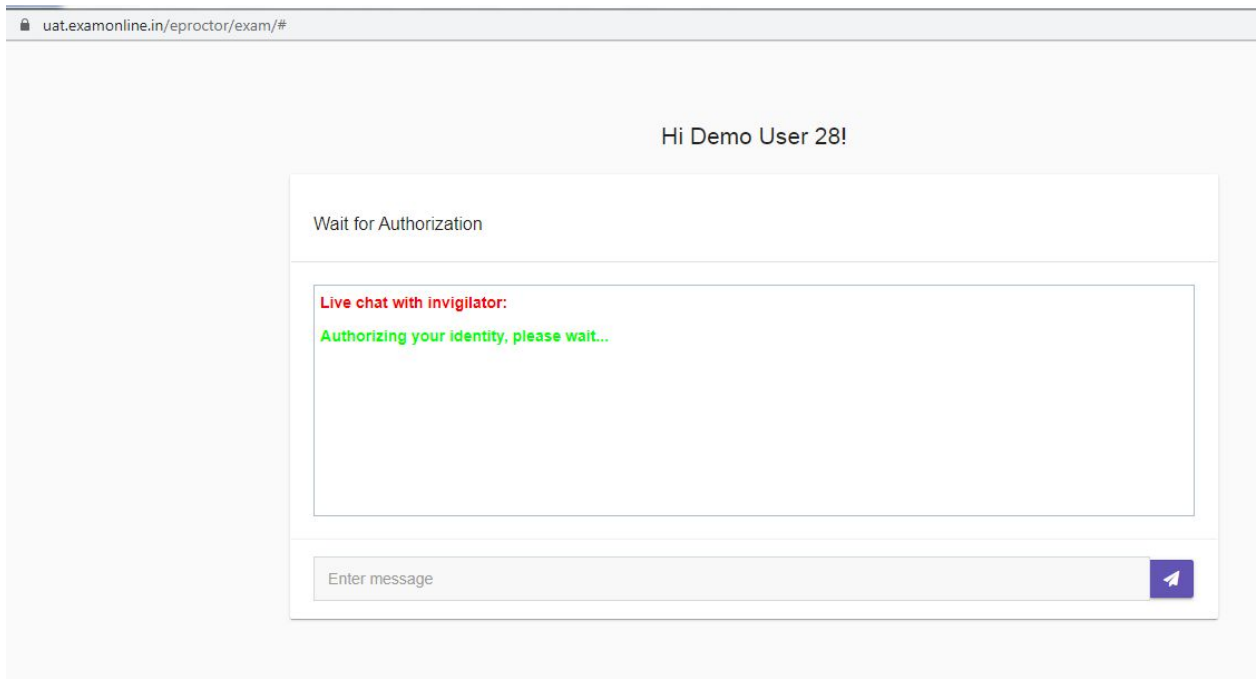

- You will be shown with below screen. NO action to be performed.
 - Wait for the next screen load

11. You will be shown with below screen.

- Wait for the next screen load

NOTE: In this screen, authorizer might chat with you and can reply accordingly (optional)

12. You will be shown with below screen.

- Wait for the next screen load

Hi Demo User 28!

13. You will be shown with below screen.

- Wait for 'I am ready to begin' button display. Once button enabled, click on the same.

The screenshot shows a web browser window with the URL `uat.examonline.in/eproctor/exam/#`. On the left, a user profile card for 'Hi Demo User 28!' displays their registration number (1000734), email (mahendhar@examonline.in), and a remaining test time of 60 minutes. The main content area is titled 'INSTRUCTIONS' and contains an 'INSTRUCTION SHEET'. The sheet lists six key instructions: 1. Multiple choice objective test; 2. 50 questions, 4 options each; 3. 60-minute duration; 4. Click to record choice; 5. Equal marks for all questions; 6. Scoring scheme (1 mark for right, 0 for wrong, none for unattended). It also notes that the test engine allows navigation and answer changes, and that mobile phones are prohibited. At the bottom, a blue button labeled 'I am ready to begin' is visible.

14. Exam screen will be opened, give exam with random questions answering etc. Perform all possible activities in that.

NOTE: You can chat with proctor using chat window at right side panel
