

Rectification of Academic Details - IMU-CET 20

1. Candidates desirous of rectifying the Academic Details in CET portal may do so by utilising the Edit Option.
2. The Edit option is already enabled for all candidates who have applied for UG courses (except BBA).

The candidates can do so by following the steps below:

Login with Existing Credentials → View → Academic Details → Edit

3. Once the candidate clicks the **Edit** link in the Academic details section, he will be able to edit the below fields and upload the 10th / 12th Mark sheets in the next page.

Academic Details Edit

Course / Degree	Degree/ Course Name	Specialization	Result Status	Physics (Percentage)	Chemistry (Percentage)	Mathematics (Percentage)	PCM Average (Percentage)	English (Percentage)	Register / Roll No.	Name of University / Board	Year of Completion	Overall Percentage / Final Year Percentage - DNS
-----------------	---------------------	----------------	---------------	----------------------	------------------------	--------------------------	--------------------------	----------------------	---------------------	----------------------------	--------------------	--

4. This option is only available till last date of registration and only available for rectification in academic details.
