*"Maritime sector has a vital role in India's progress & Government is strengthening the sector through innovative initiatives."*

**Shri Narendra Modi**  
*Hon'ble Prime Minister of India*

*"Shipping is just not ferrying of goods and passengers. It is all about the growth of the nation as it promotes trade."*

**Shri Nitin Gadkari**  
*Hon'ble Minister of Shipping,  
Road Transport & Highways*

## **Vice Chancellor's Message**

India with a glorious past of its Maritime prowess is again poised to scale up its presence in the global arena. Due to colonial past and political reasons our share in the global GDP has fallen from about 25% few centuries ago to about 3% now. While redeeming its rightful position in trade and commerce in the next few decades, our GDP is expected to grow in the order of 10% annually. Such rapid expansion of a large economy is bound to generate enormous opportunities for the people who are equipped with right kind of knowledge and skill set.

This opens up prospects for young minds of India - like never before in the recent past - in myriad fields related to anything maritime. Be it a Captain, Engineer, Ship Builder, Designer, Port Manager, Logistics Expert - an ocean of opportunity is beckoning the students who are capable and worthy.

If hard work and adventure doesn't scare you, you are the material we are looking for. IMU transforms raw energy and minds of young students into the professionals fit for challenges posed by oceans. IMU offers under-graduation, post-graduation and doctoral studies in various maritime fields through its four schools spread over six campuses across India. The courses offered are unique and tailor made to suit the industry needs. This fact is corroborated by our enviable placement record of 70% which you will agree to be among the best in the country.

I take great pleasure in presenting this Academic Brochure to help you converge on your requirement and a fascinating career in Indian as well as International Maritime Sector.

**Dr K M Sivakholundu**  
Vice Chancellor,  
Indian Maritime University

## 1. **Introduction**

The Indian Maritime University (IMU) was established on 14th November 2008 as a teaching-cum-affiliating university under the aegis of the Ministry of Shipping, Government of India, with Chennai as headquarters. It was set up to promote maritime studies, training, research and extension with focus on emerging areas like oceanography, maritime history, maritime laws, maritime security, search and rescue, transportation of dangerous cargo, environmental studies and other related fields, and to achieve excellence in these areas.

There were 7 renowned legacy teaching-cum-research institutes under the Ministry of Shipping, and these were subsumed under the Indian Maritime University in November 2008. The 3 institutes in Mumbai, namely, the *Training Ship Chanakya*, the *Lal Bahadur Shastri College of Advanced Maritime Studies & Research*, and the *Marine Engineering Research Institute* became the Mumbai Campus of the Indian Maritime University. The 2 institutes in Kolkata, namely, the *Marine Engineering Research Institute* and the *Indian Institute of Port Management* became the Kolkata Campus of the University. The *National Ship Design and Research Centre* in Visakhapatnam and the *National Maritime Academy* in Chennai became the Visakhapatnam and Chennai Campuses respectively of the University.
