CIRCULAR NO.1412

Sub: Hybrid Subjects – Part Theory, Part Practicals – collection of fees – regarding.

Ref: Representation received from IMU Chennai Campus Students

* * * * *

In several subjects of B Sc (Nautical Science) programme, Theory and Practicals form part of a single paper (e.g., Theory – 70 marks and Practicals – 30 marks). Normally, the examination fees are Rs.500/- exclusively for Theory papers and Rs.300/- exclusively for Practicals. For a hybrid subject, which is part Theory and part-Practicals, it is not correct to collect $Rs.500 + Rs.300 = Rs.800/-$ more so as they form a single paper. In such cases, where 'Theory' is the predominant component (>50%) it shall be treated as a 'Theory' paper and a fee of Rs.500/- shall be collected, where 'Practical' is the predominant component (>50%), it shall be treated as a 'Practical' paper and a fee of Rs.300 shall be collected. In the case of B Sc (Nautical Science), there are several predominantly (70%) Theory papers and for those, only Rs.500/- shall be collected as Examination Fee per paper.

2. This Circular issues with the approval of the competent authority.
3. The IMU Campuses and affiliated colleges are requested to intimate this to the students by displaying a circular on the notice board.
