1. Introduction

a. IMU is a Teaching-cum-Affiliating University established by an Act of Parliament on 14th November 2008 to provide quality maritime education, training and research. It was created by merging 7 erstwhile Institutes:

- i. Training Ship Chanakya, Mumbai;
- ii. Marine Engineering and Research Institute (MERI), Mumbai;
- iii. Marine Engineering and Research Institute (MERI), Kolkata;
- iv. Lal Bahadur Shastri Centre for Advanced Maritime Studies (LBSCAMSAR), Mumbai;
- v. National Maritime Academy (NMA), Chennai;
- vi. Indian Institute of Port Management (IIPM), Kolkata; and
- vii. National Ship Design and Research Centre (NSDRC), Visakhapatnam.

Institutes No. (i) to (iv) were Central Government Institutes

Institutes No. (v) to (vii) were 'Registered Societies'.

b. Prior to 14.11.2008, Institutes No. (i) to (iii) were undergraduate colleges. T.S. Chanakya was affiliated to Mumbai University for the 3-year B. Sc (Nautical Science) course and to IGNOU for the 1-year Diploma in Nautical Science (DNS) course. MERI, Mumbai was affiliated to Mumbai University for the 3-year B.Sc. (Maritime Science). It was also offering the 1-year Graduate Mechanical Engineers (GME) course for converting Mechanical Engineers into Marine Engineers.

- c. MERI, Kolkata was affiliated to Jadavpur University for the 4-year B. Tech (Marine Engineering) course. Institute No. (iv) was a training institution offering short-term Post-Sea training programmes to seafarers. Institutes No. (v) and (vi) were training institutions offering short-term programmes to Port officers. Institute No. (vii) was a research organization.
- d. Headquartered in Chennai, IMU now has 6 Regional Campuses at Chennai, Kolkata, Navi Mumbai, Mumbai, Visakhapatnam and Kochi. The erstwhile institute T S Chanakya became the Navi Mumbai Campus and the erstwhile institute MERI Mumbai & LBS CAMSAR became the Mumbai Port Campus respectively; the erstwhile institutes MERI Kolkata & IIPM became the Kolkata Campus; the erstwhile National Maritime Academy became the Chennai Campus of IMU; and the erstwhile National Ship Design and Research Centre became the Visakhapatnam Campus of IMU. Post-November 2008, 3 new Campuses were set up: Kochi in 2009, Kandla Port in 2011 and Karaikal in January 2014. The Karaikal Campus and the Kandla Port Campus were closed in November 2014 and March 2015 respectively as they were not found to be viable.

2. Objectives of the University

- a. To facilitate and promote maritime studies, training, research and extension work with focus on emerging areas of studies like oceanography, maritime history, maritime laws, maritime security, search and rescue, transportation of dangerous cargo, environmental studies and other related

fields and also to achieve excellence in these and connected fields and other matters connected therewith or incidental thereto.

- b. To promote advanced knowledge by providing institutional and research facilities in such branches of learning as it may deem fit and to make provisions for integrated courses in Science and other key and frontier areas of Technology and allied disciplines in the educational programmes of the University.
- c. To take appropriate measures for promoting innovations in teaching-learning process, inter-disciplinary studies and research; and to pay special attention to the promotion of educational and economic interests and welfare of the people of India.
- d. To promote freedom, secularism, equality and social justice as enshrined in the Constitution of India and to act as catalyst in socio-economic transformation by promoting basic attitudes and values of essence to national development and
- e. To extend the benefits of knowledge and skills for development of individuals and society by associating the University closely with local, regional and national issues of development.

3. Authorities of the University

- a. The Court.
- b. The Executive Council
- c. The Finance Committee

- d. The Academic Council
- e. The Planning Board
- f. The Board of Affiliation and Recognition and
- g. The Boards of Schools.

4. Academics

a. During the Academic Year 2019-20, the following UG courses were being offered by IMU:

- i. 4-year B.Tech. (Marine Engineering) in Kolkata, Mumbai and Chennai Campuses. [B.Tech. (ME)]
- ii. 4-year B.Tech. (Naval Architecture & Ocean Engineering) in Visakhapatnam Campus. [B.Tech. (NA&OE)]
- iii. 3-year B.Sc. (Nautical Science) in Navi Mumbai, Kochi and Chennai Campus. [B.Sc. (NS)]
- iv. 3-Year B.B.A (Logistics, Retailing and e-Commerce) in Chennai and Kochi Campuses. [B.B.A.(LR&E)]
- v. 1-year Diploma in Nautical Science (DNS) in Chennai and Navi Mumbai Campuses.

b. During the Academic Year 2019-20, the following PG courses & Research Programmes were being offered by IMU:

- i. 2-year M. Tech. (Naval Architecture & Ocean Engineering) in Visakhapatnam Campus. [M.Tech. (NA&OE)]

- ii. 2-year M.Tech. (Dredging & Harbour Engineering) in Visakhapatnam Campus. [M.Tech. (D&HE)]
- iii. 2-year M.Tech. (Marine Engineering and Management) was started at Kolkata Campus. [M.Tech. (ME&M)]
- iv. 2-year M.B.A (Port & Shipping Management) in Chennai and Kochi Campuses. [M.B.A. (P&SM)]
- v. 2-year M.B.A (International Transportation & Logistics Management) in Chennai, Kochi, Visakhapatnam and Kolkata Campuses. [M.B.A. (IT&LM)]
- vi. 2-year M.Sc. (Commercial Shipping and Logistics) in Chennai and Navi Mumbai Campuses. [M.Sc. (CS&L)]
- vii. 1-year Post-graduate Diploma in Marine Engineering (PGDME) in Mumbai Port Campus.
- viii. Research Programmes: Ph. D & M.S (By Research).

c. The various School Boards that were created by the University and are functioning at present are:

- i. School of Marine Engineering & Technology (SMET)
- ii. School of Nautical Studies (SNS)
- iii. School of Naval Architecture & Ocean Engineering
- iv. School of Maritime Management (SMM)
- v. School of Allied Studies
- vi. School of Naval Studies
- vii. Board of Research Studies

d. Online Common Entrance Test

IMU CET was conducted as mentioned below:

i. August CET 2019 (AY 2019-20)

(a) All admissions to IMU's UG/PG and Research programmes were done through an All-India Common Entrance Test (IMU-CET) conducted every year – August Batch 2019-20. A pass in the CET is mandatory as per the Act for any student to get admitted to IMU, even in an Affiliated Institute.

(b) CET was conducted for the following programmes:

- Common CET for all UG programmes put together,
- Common CET for the 2 MBAs and M. Sc. (CS&L)
- Common CET for the 3 M. Tech programmes and
- For Ph.D. / MS (By Research) Research programmes; CET was held on 01.06.2019 and 22425 candidates registered for the same. The results of the CET were published on 06.06.2019.

(c) IMU's Online Counselling 2019-20 started on 10.06.2019 and concluded on 20.06.2019. The candidates who had passed IMU's CET 2019 for U.G Programmes were required to choose online the Course(s) and also the IMU Campus(es)/Affiliated Institute(s) they would like to join. The allotment of admissions was made automatically by the software based on the candidate's (i) Rank in CET, (ii) Community, (iii) Options for Courses–cum- Institutes and (iv) Availability of seats. The candidates were required to first pay a

Counselling Fee of Rs.10,000 (non-refundable) to IMU in the manner prescribed before they could choose Course(s)/Institute(s) online ensuring the candidates who registered for Online Counselling were serious candidates. The admission letters to candidates were generated online automatically and sent to them by email. Hard copies were also sent by speed post.

(d) For Research Programmes, qualified candidates were interviewed at IMU Headquarters to ensure the suitability of a candidate to pursue the research programmes, and merit-wise a total of 14 candidates were admitted in IMUs respective schools. The provisional selection letters followed by registration letters were sent to the selected candidates.

ii. January CET 2020 (AY 2020-21)

(a) CET for admissions of Sponsored Candidates in IMU's Affiliated Institutes – January/February Batch 2019-20 was conducted on 04.01.2020 for which 1472 Candidates registered.

(b) CET for admissions to MBA / M. Sc. (CS&L) courses for Aug 2020 batch was conducted on 04.01.2020 for which 365 Candidates registered.

(c) Verification of candidates for DNS course was done on 30.01.2020 - 31.01.2020 at Navi Mumbai Campus and Mumbai Port Campus of IMU.

(d) Counselling for MBA candidates was done from 20.01.2020 –

30.01.2020. The candidates who had passed January CET 2020 were required to choose online the Course(s) and the IMU Campus(es) they would like to join. The allotment of admissions was made automatically by the software based on the candidate's (i) Rank in CET, (ii) Community, (iii) Options for Courses–cum- Institutes and (iv) Availability of seats. The candidates were required to first pay a Counselling Fee of Rs.10,000 (non-refundable) to IMU in the manner prescribed before they could choose Course(s)/Institute(s) online ensuring the candidates who registered for Online Counselling were serious candidates. The admission letters to candidates were generated online automatically and sent to them by email. Hard copies were also sent by speed post.

e. Affiliated Institutes:

- i. IMU is an affiliating university with 18 Affiliated Institutes as on 31.03.2020. The State-wise break-up is as follows:

Total		52	6

b) Coursework for Ph. D: As part of Coursework for Ph. D, online live classes have been started to facilitate imparting the subjects to all the Research Scholars located at various places in India as most of them are Part time Scholars.

g. Reservation of seats for students from Andaman & Nicobar Islands and North-Eastern States

- i. Since starting an IMU Campus in Andaman & Nicobar Islands, Lakshadweep and Minicoy Islands or the eight North Eastern States [Assam, Meghalaya, Arunachal Pradesh, Mizoram, Nagaland, Manipur, Tripura and Sikkim] is not a feasible proposition, and the only way by which opportunities for maritime education and employment can be assured to the students of these regions is by reserving a certain number of seats in UG courses in IMU Campuses, IMU has decided that from the academic year 2015-16 onwards candidates native to Andaman & Nicobar Islands, Lakshadweep and Minicoy Islands, the eight North Eastern States and Jammu and Kashmir or those domiciled in these regions for at least 5 years shall be eligible for the reservation provided the candidates have cleared IMU's Common Entrance Test (CET). The number of seats reserved for these states and the number of students admitted in 2019-20 are as follows:

#	State/Union Territory	Seats Reserved	No. of Candidates admitted in 2019-20
1.	North Eastern States	40	5
2.	Lakshadweep Islands	10	3
3.	Andaman & Nicobar	20	4
4.	Jammu and Kashmir	10	3
Grand Total		80	15

- ii. The reserved seats were allotted to the eligible candidates based on their CET rank and their preference(s) for U.G. course(s)/IMU Campuses. The reserved seats that were not filled up under this category were filled up with candidates from the General list.

h. Performance-based Reward Scheme for Meritorious Students of IMU Campuses

- i. IMU has introduced a “Performance-based Reward Scheme” for meritorious students of IMU Campuses with effect from the December’15/January’16 end-Semester Examinations. The scheme is aimed at motivating the students to continue to perform meritoriously from semester to semester; to maintain discipline and good conduct; and to reduce the bank loan burden of meritorious students. As it is a reward for pure merit, it will not be linked to economic means nor will it be a bar to a student getting any scholarship/free-ship/studentship/ fellowship, etc. from any other source.
- ii. The Performance-based Reward is for a semester only, based on the academic performance in the immediate previous semester examination. At the time of reward, the students should not have any arrear papers relating to that semester examination or the earlier semester examinations, and should not have suffered any punishment for ragging or examination malpractices (both of which will render a student permanently ineligible for the reward). Under this scheme, ‘toppers’ of each batch and of each programme get Rs.1,00,000/- each while students coming within the top ten percentile (other than toppers) get Rs.75,000/- each next ten percentile get Rs.50,000/- each. An amount of Rs. 1.95 crores was disbursed as Performance Based Rewards.

i. Memoranda of Understanding (MoUs)

- i. IMU has MoUs with the following foreign Universities/Institutes with the aim of International cooperation –
 1. Admiral G.I. Nevelskoi Maritime State University, Vladivostok, Russia.
 2. Institute of Chartered Shipbrokers, U.K.

3. Bangabandhu Sheikh Mujibur Rahman Maritime University, Bangladesh.
 4. University Teknikal Mara SDN. BHD. (UniKL), Kuala Lumpur, Malaysia.
 5. University of New Orleans, U.S.A.
 6. Southampton Solent University, U.K.
 7. National Ports Agency, Morocco.
- ii. IMU has also entered an MoU with Academy of Maritime Education and Training (AMET), a deemed to be University under UGC Act for mutual cooperation.
 - iii. IMU has entered into an MoU with National Security & Depository Limited (NSDL) under National Academic Depository (NAD) for online storage of academic awards (degrees, diplomas, certificates, mark-sheets etc.) by the academic institutions/board/eligibility assessment awards and which shall help in validating their authenticity, their safe storage and easy retrieval by Students as well as their prospective Employers.
 - iv. IMU has renewed its MoU with Andaman & Nicobar Administration under which placement of 120 students of IMU Campuses each year for On-board training is assured.
 - v. IMU has further proposed for MoU with Ministry of Blue Economy, Marine Resources, Fisheries and Shipping, Govt. of Mauritius for purpose of promotion and development of academic and mutual co-operation between two countries on maritime studies on basis of capacity and reciprocity and for mutual benefit.
 - vi. A delegation of 3 members from Morocco visited IMU - Chennai Campus from 25th-27th June, 2019. The delegation was taken around the Campus and discussions were held on possible co-operation in future.

j. Membership

IMU is a Member of International Association of Maritime Universities (IAMU) and AIU (Association of International Universities) as well.

k. Computerization

- i. As part of end-to-end computerization, semester exam evaluation is being computerized using scanning and online facilities. This has reduced the time required for declaration of results.
- ii. A Pilot experiment was implemented successfully in the School of Naval Architecture & Ocean Engineering at Visakhapatnam campus during winter exams of 2017. Subsequently, the University has taken up the On-Screen Evaluation of Answer Scripts for the End Semester Examination held in December 2018 for all courses.

l. Seminars

In the present fast changing scenario of industrial development, the education system is not keeping pace with the requirements of the industry. In order to bridge the gap, it is a necessity that the industry and academia have a meaningful interaction to evolve strategic plans for overall benefit of the students, industry and academia. IMU conducted seminars in all the 4 Schools of Marine Engineering, Maritime Management, Nautical Studies and Naval Architecture & Ocean Engineering.

Monthly seminars were arranged in all campuses inviting eminent industry personalities. These seminars are attended by faculty and students to get a glimpse of contemporary issues and the experiences. Students are encouraged to interact with the speakers on technical issues to understand the latest developments.

m. Endowments

A policy on Endowments has been framed to attract donations for Orations, Awards and Scholarships from IMU's alumni, Port Trusts and Shipping Industry. Endowments of Rs.30 lakh from Mumbai Port Trust and Rs.8 lakh from Tuticorin Port Trust have been received towards Scholarships for SC/ST students.

n. Academics – Industry Interaction

The Ministry of Shipping, Government of India (MOS), Indian Register of Shipping (IRS) and Siemens Industry Software (SISW) have entered into a tripartite agreement to promote skill in shipbuilding and desire to establish one unit of CEMS in IMU Visakhapatnam. Consequent to the tripartite agreement the centre is being setup at present IMU – Visakhapatnam Campus, Gandhigram.

o. International Conference –MARINCO 2019

MARINCO 2019 - Maritime International Conference was jointly organized by Indian Maritime University and Academy of Maritime Education and Training, Chennai on 4th and 5th November 2019 in commemoration of the centenary year of first Indian ship SS Loyalty at IMU Headquarters. The major theme of the conference was Trends in Marine Science and Technology. The conference was an ideal platform for the Researchers, Engineers, Scientists, Industry, Professionals and Academia that shared the recent advances in the field of Marine Science and Engineering. A total number of 28 research papers were presented.

8. IMU Mumbai Port Campus (MPC)

a. Brief History of the Mumbai Port Campus

- i. IMU Mumbai Port Campus consists of two Premier legacy Institutes namely Lal Bahadur Shastri College of Advanced Maritime Studies & Research (LBS CAMSAR) and Marine Engineering & Research Institute (MERI) (erstwhile DMET). Both these Institutes have been training Mariners for more than 7 decades. They were set up by the Government of India immediately after Independence as dream projects of a new India as she was expanding her horizon in the Maritime field.
- ii. LBS College was founded in 1948 under Government of India. It is a premier Institute for 'post sea' training of Merchant Navy Officers of Navigation as well as Engineering Departments. The College was renamed as Lal Bahadur Shastri College of Advanced Maritime Studies & Research (LBS CAMSAR) in 1994.
- iii. The MERI (erstwhile DMET) was established in 1949 to satisfy the growing needs of Marine Engineers in India. The Institution had its Headquarters at Calcutta and a branch at Bombay. The Institute has been renamed Marine Engineering and Research Institute in 1994.
- iv. On 14th November 2008 on the formation of Indian Maritime University (IMU) a Central University / Government of India these Institutes came under the IMU.

- v. The Campus is located on Hay Bunder Road, Sewri, Mumbai. It is an ISO 9001:2015 Certified Campus. It has about 8 acres area with about 180 m sea-front.
- vi. The Campus has more than 25,000 sq.m of built up floor area for Classes, Laboratories, Simulators and Hostels. There are separate buildings for Pre-Sea and Post-Sea Training, three spacious Hostels, a 250-seat auditorium, swimming pool and state of art simulators. The boat-pool has motor boat, whaler and lifesaving boats.

9. IMU Navi Mumbai Campus (NMC)

a. History of the Navi Mumbai Campus

- i. Indian Maritime University, Navi Mumbai Campus (NMC) (Training Ship Chanakya) is situated at Karave, Nerul Navi Mumbai, spread across 43 acres; The Campus is located within the eco sensitive area between Palm Beach Road and the Vashi Creek Mangroves.
- ii. Year 1927 was a remarkable and epoch-making year in the history of modern Indian Shipping. The Great visionary Sir P.S Sivaswamy Iyer's strong advocacy for the cause resulted in acceptance of a resolution on 19th March 1926 by the Central Government to commence the Indian Mercantile Marine; the Ministry of Commerce, accordingly acquired troopship Dufferin and so the three-year course for the first batch commenced on T.S. Dufferin on 5th December 1927 with 26 cadets. "Training Ship Chanakya", now Indian Maritime University, Navi Mumbai Campus, the shore-based academy is successor to the Training Ship Rajendra (1972-1993) & became operational on 05 April 1993. Indian Maritime University, a Central University was established by an Act of Parliament in the year 2008. Thereafter, all the Government of India institutes of Nautical and Marine Engineering sector became a part and parcel of this university. This was necessitated to foster and facilitate Maritime Studies and Research of global standards.

10. IMU Kolkata Campus

a. Brief History of the Kolkata Campus

- i. IMU Kolkata campus Symbolizes the birth of Marine Engineering training in India. The Institute was established at the onset of independence in 1947 to satisfy the growing need of marine engineers in India. It was founded in 1949 by Pandit Jawaharlal Nehru as “Directorate of Marine Engineering Training” (DMET) with its headquarters in Calcutta and a branch at Bombay, under Ministry of Shipping (Government of India). It was renamed “Marine Engineering and Research Institute (MERI)” in 1995. MERI was a dream project of a new India as it was expanding its horizon in the marine field, starting with an initial intake of 60 cadets, today about 280 young and highly motivated Marine Officers are passing through her hallowed portals every year. After the formation of Indian Maritime University in 2008, MERI has become Indian Maritime University, Kolkata Campus (IMU-KC). After 71 years since its inception, IMU-KC is regarded as the most acclaimed institute around the world for Maritime education. It has the latest state-of-the-art infrastructure and facilities for maritime education and training. Its 33 acres campus has 6500 Sq. mts of built-up area and 52% of the campus area is free area. Besides various class rooms, well equipped laboratories, simulators, library with more than 23000 books and technical journals, separate hostels for boys and girls for more than 1000 cadets. The institute has a fully equipped, Olympic-size swimming pool cum life-saving training facility, one 1000 seated auditorium, one 250 seated Assembly Hall, one 8-bed infirmary with 24X7 medical assistance, a gymnasium with multi-

gym facility and one workshop with various shops and a Ship in Campus with one full-size, 6000BHP marine propulsion Engine for training of the cadets. Ex-cadets of this institute are well established not only in shipping but also in many other areas of administrative services, management and entrepreneurships.

- ii. IMU-KC (Management Block) (Erstwhile Indian Institute of Port Management, Kolkata), a pioneer Post Graduate Management Institute in the domain of port, shipping and logistics management was set up by the Kolkata Port Trust, Govt. of India, in 1965 at Subhas Bhavan in the hub of port and container terminals and subsequently taken over in 1977 by the Major Ports of India through the Indian Ports Association, New Delhi. Now the entire activities of the IMU-KC (Management Block) has been transferred to IMU-KC at P-19, Taratala Road, Kolkata-700088.

11. IMU Visakhapatnam Campus

a. Brief History of the Visakhapatnam Campus

The IMU Visakhapatnam Campus emerges from the confluence of the centrally established Indian Maritime University at Chennai, and India's premier ship design and maritime research institution, the "National Ship Design and Research Centre" (NSDRC). Pioneered in the early '90s by the Government of India to pilot and consolidate national domain knowledge with global vision, NSDRC has undertaken several milestone projects in the areas of Ship Design, Construction and Applied Research. Therefore, IMU Visakhapatnam Campus heralds the integration of visionary academic insight with the accumulated professional expertise and knowledge base on Ship Design and Maritime Technology. The School of Naval Architecture & Ocean Engineering (NA&OE) conducts Undergraduate Programme, B.Tech (NA&OE) and Post-Graduate Programmes, M.Tech (NA&OE), M.Tech (Dredging & Harbour Engineering) and Ph.D. The School of Maritime Management (SMM) conducts Post Graduate Programme, M.B.A. in International Transport & Logistics Management.

12. IMU Kochi Campus

a. Brief History of the Campus

- i. The Smart city of Kochi enjoys a rich maritime history and is home for various maritime establishments such as the Cochin Port Trust, Cochin Shipyard Limited, the Indian Navy's Southern Naval Command, the International Container Trans-shipment Terminal and a host of other ancillary industries supporting the maritime sector including the ship building and repair industry.
- ii. The Indian Maritime University campus in Kochi was inaugurated in 2009 on a 2.6 Acre plot of land on lease from Cochin Port Trust, to complement these establishments. The campus was relocated to a sprawling 10-acre campus in SERA, Willingdon Island. The Administrative-cum-Academic Building at the 10-acre plot was inaugurated by Shri. Pon Radhakrishnan, the erstwhile Hon'ble Minister of State for Shipping, Road Transport & Highways on 09.09.2016.
- iii. The campus currently conducts Under-Graduate courses in Nautical Sciences and Business Administration as well as Post Graduate Courses in Maritime Management. The infrastructure within the campus boasts of an Administrative-cum-Academic Building, Hostel building (120 bedded), Workshop-cum-Simulator building, Auditorium, Basic Marine Workshop, Sewage Treatment Plant, Football Field, Basketball Court, Volleyball Court and Electrical Substation. A Water purification plant, Solar Power Plant, Swimming Pool, Fire-fighting Mock-up and new Library building within the Campus premises have been proposed to be built as part of the future vision.
