CIRCULAR

No.IMU/ACA/CIR/2014

Date : 24-6-2014

Sub : CET 2014 – Results published – CET passed candidates should also fulfill other eligibility criteria for admissions.

The results of IMU CET 2014 were published on 18-06-2014. At the time of online registration of applications for CET, IMU was not in a position to verify the correctness of the claims made by the candidates and therefore the same were accepted provisionally at their face value. However, while issuing Hall Tickets to the candidates, the following two caveats were set out :

- “ 1. Admission to IMU programme is subject to the candidate fulfilling the eligibility criteria as per IMU norms and passing the CET 2014.
2. The fact that this Hall Ticket has been issued does not mean that the candidate fulfills the eligibility norms. His / Her eligibility will be decided based on original certificates at the time of Counseling.”

It is possible that some of the candidates who passed CET2014 may not be fulfilling the eligibility requirements for admission in other respects. For eg. a candidate may be over-aged or under-aged (or) he may not be medically fit (or) he may not have scored the required percentage of marks. [Please refer to the IMU's Academic Brochure 2014 for eligibility criteria for each course] Such candidates cannot be admitted to IMU's programme by an IMU Campus / Affiliated Institute even though they may have passed CET 2014. It is very important to verify all the relevant original certificates at the time of Admission / Counseling so that only candidates who fulfill all the eligibility criteria are given admission.

To
Directors, All IMU Campuses
All Affiliated Institutes
