**CIRCULAR NO.1522**

**Sub:** Taking into account 'Improvement Exam Marks' – reg.

During the ongoing Certificate Verification of the candidates for admission into various UG courses, numerous requests have been received with regard to acceptance of the compartment/improvement examination marks for minimum eligibility.

2) In some cases, the candidates failed in one or more subjects of the Higher Secondary Examinations, in other cases the candidates have scored less mark in one or more subjects such that their aggregate score is below 60% in PCM. Such candidates have appeared for improvement examinations to either pass or to get the greater than 60% aggregate in PCM.

3) The matter has been examined in detail and the Competent Authority has consented to consider the marks obtained by the candidates in compartment/improvement examinations as eligibility provided the compartment/improvement examinations are attempted at the same board where the Candidate has attempted the qualifying examination earlier.
