Circular No.1529

Sub: Affiliated Institutes which had surrendered seats to IMU's Online Counselling – Details of Unfilled Seats as on 21.7.2015 communicated – reg.

Ref: 1) IMU's Circular No.1510 dated 15.04.2015
2) IMU's Circular No.1520 dated 15.07.2015.

In para 5 of the Circular 2nd cited, Affiliated Institutes were informed that if any of the seats surrendered to IMU's Counselling are unfilled, then they have the liberty to fill up such seats from among the CET passed candidates and subject to other eligibility conditions (including sponsorship for DNS candidates) as prescribed in the Academic Brochure 2015.

2) Candidates allotted to Affiliated Institutes as per the First List of Admissions published by IMU on 27.06.2015 were given time till 20.07.2015 to report at the designated IMU Campus for verification of Certificates and payment of Programme Fee and to get the seal "Admission Confirmed" by the competent official of the designated IMU Campus before joining the Affiliated Institute for which time was given till 24.07.2015. The statement annexed to this Circular gives the details of candidates who reported at the designated IMU Campus and the "Unfilled Seats" of each Affiliated Institute as on 21.07.2015. *Affiliated Institutes are free to fill up seats on their own up to the 'limit' indicated in Column*

10 of the Annexure, and the 'limit' for online entries has been revised upward accordingly.

3) This 'limit' may increase further if some of the candidates allotted to Affiliated Institutes (and who got their Certificates etc. verified and their admissions confirmed) do not actually join them. It must however be noted that as stated in para 5 of the Circular 1st cited, once a certain number of seats had been surrendered for IMU's Counselling the Affiliated Institute shall be bound to accept the candidates sponsored by IMU (i.e. those whose allotment letters have the seal "Admission Confirmed" affixed by an IMU official) and it cannot to submit these candidates to further tests and reject them. IMU will satisfy itself that none of the candidates sponsored by it have been unfairly rejected by the Affiliated Institutes before treating such additional vacancies as genuine.
