31 July 2015

Circular No. 1534

Sub: Affiliated Institutes - Seats Surrendered to IMU's Online Counselling - 'Confirmed Candidates' who moved away from Affiliated Institutes after the publication of the Second List - Reg.

- Ref:**
1. IMU's Circular No. 1510 dated 15.04.2015
 2. IMU's Circular No. 1518 dated 29.06.2015.
 3. IMU's circular No. 1520 dated 15.07.2015
 4. IMU's Circular No. 1529 dated 27.07.2015.

As per the Circular cited 2nd, candidates who were allotted seats as per First List were required to report to the designated IMU campuses for Certificate Verification by 5:00 PM on Monday 20 July 2015 for confirmation of their allotment. Those who failed to do so were treated as 'drop outs' and a Second List was published on 20 July 2015. Candidates who were allotted to the 11 Affiliated Institutes that had surrendered seats to IMU were given time till 24th July 2015 to report at the concerned Affiliated Institute after Certificate Verification at the designated IMU Campus failing which the Affiliated Institutes are free to fill up the seats. The number of 'confirmed candidates' (i.e. candidates who had completed their Certificate Verification at the designated IMU Campus) is shown in Column 8 of the enclosed Statement.

However, after the publication of the Second List there were some changes in the Programmes and/or Colleges with some of the candidates moving from one IMU Campus to another, some others moving from Affiliated Institutes to IMU Campuses, and so on. The numbers of 'confirmed candidates' who moved away from Affiliated Institutes after the publication of the Second List is shown in Column 11 of the enclosed Statement. **As a result, the revised 'upper limit' for the number of candidates that the Affiliated Institutes may fill up directly is shown in Column 12 of the enclosed Statement.**

The number of 'confirmed candidates' who should have joined at the Affiliated Institutes is given by [Column 8 – Column 11]. It is possible that some of them may not have joined. The 'upper limit' for direct admission will be increased further by this number provided the 11 Affiliated Institutes furnish the numbers and names of such candidates **before 5 pm on 4.8.2015.** IMU will first satisfy itself that none of these candidates has been unfairly rejected by the Affiliated Institute before increasing the 'upper limit' further by this number.
