

REVISED SCHEDULE AND FLOW OF EVENTS :
SECOND IMO MOCK SESSION COMPETITION (2022) :
FINAL ROUNDS, GRAND FINALE & PRIZE DECLARATION – 09 OCTOBER 2022

The Final Round, Grand Finale and Prize Declaration of the Second IMO Mock Session Competition (2022) will be conducted on 09 October 2022 for both topics viz. MEPC and MSC. Mr Ajithkumar Sukumaran, Chief Surveyor to the Government of India, has kindly consented to be the Chief Guest. Details of the event are outlined in the succeeding paragraphs.

Schedule

Time	Activity
Sunday 09 October 2022	
1430 - 1445	Opening Session
1445 - 1535	MEPC Final Round - 6 Papers
1535 - 1605	MSC Final Round - 4 Papers
1605 - 1620	Tea Break
1620 - 1630	Declaration of Results & Prizes
1630 - 1640	Address by Chief Guest
1640 - 1645	Vote of Thanks
1645 - 1650	Closing
Note 1 : Please note that the Final Rounds of MEPC and MSC, scheduled for Saturday 08 October 2022, have been merged with the Grand Finale and Prize Declaration on 09 October 2022.	
Note 2 : Due to revision in the format of the Finals, the program duration has increased by 30 minutes.	

Chairperson

The Chairperson will announce the agenda, sequence in which teams will introduce their papers and conduct the proceedings.

Sequence of Events

Each qualified team will be given 3 minutes (uninterrupted) for **Introduction** of their Paper. Teams can scroll their final submitted Paper on screen during the Introduction. **There will be no Presentation**. Time overrun upto maximum 1 minute will not be negatively marked. However, negative marks will be given for time overrun more than 1 minute. At 5 minutes, the team would be stopped regardless. Thereafter each of the other teams would be permitted **one Intervention** each to that Paper. The decision on permitting a Response by the Introducing Team to the Intervention, will be that of the Session Chair.

On completion of these proceedings for the first Paper, the next Paper will be invited for Introduction by the Chair and the same process will be repeated for all qualified Papers in that Subject.

Then the qualified teams of the second subject would follow the same process.

The above proceeding for each paper will be assessed by the Judges and contribute to overall positions.

Advisory

Teams are advised to be ready to introduce their paper, irrespective of the declared sequence and timings, so as to cater for all contingencies.
