Sub: Online Student Portal - Examination Application - Results -
Photocopy/Revaluation and Re-totaling – Reg

The Online "Student Portal" has been redesigned wherein students can view their End Semester Examination Results and can directly apply for End Semester Examinations, Revaluation, Re-totaling and Photocopy of the Answer Sheets.

Students can login into the portal by using Registration Number and Date of Birth as password. After First login, student has to change the password and the same has to be used for future transactions. Students are requested to keep the password confidentially without disclosing to others. In case of misuse of the Login and password, the concerned students is responsible for the same.

In case, students forgot their password, they may contact the Nodal Officer for Examination Portal of their Campus/Institute for retrieval of their password (separate communication has been sent to the Nodal Officer in order to retrieval of the password by Exam Section). No correspondence regarding retrieval of the password will be entertained at IMU Hqrs.

The above information may be disseminated to all the concerned.
