IMU is planning to explore the possibility of conducting the online proctored examinations for final year students of IMU. In this regard, to assess the suitability for conduct of this examination, a questionnaire has been enabled in the student portal from 17.07.2020 (11:00 am) to 20.07.2020 (11:55 pm).

You are requested to inform all the final year students, who have registered for examinations, to fill the questionnaire within the prescribed time, so that IMU will initiate the process. Filling up of questionnaire is mandatory in order to appear for examination.

Please note that those who may not have the facilities (Desktop / Laptop / Internet connection) may be allowed to appear for an offline examination (pen and paper mode) in December 2020 or after the restoration of normalcy from Pandemic, whichever is later.
