# Taking Exam on Desktop PC / Laptop

1. Please ensure that you are taking the exam on **Chrome Browser**. Upgraded browser gives a smoother experience.
2. Don't click on any link to take a test. **Copy the link and paste it in the chrome browser**. Clicking on a link might not open the link in Chrome Browser. Copy and Pasting ensures that you are on the correct browser.
3. At the start of the exam, the browser may show pop ups for allowing permissions. Always click on **Allow**.
4. Make sure your integrated webcam or external webcam is functioning properly.
5. Do not navigate to any other window during the exam. Your exam may terminate if such an attempt is made.
6. Ensure that you have a secondary backup internet connection which will be useful when the primary internet gives away.
7. Ensure that the laptop battery is charged to maximum extent possible by the start time of the exam. If you are using a desktop PC ensure that you have an UPS connection to continue exam even during power cuts.
8. Disable all notification sending applications like Anti Virus etc.
9. Ensure the system time and time zone are correct, else you may not be able to write/see the exam.

# Enabling Camera, Microphone and Location – Laptops/ Desktop PC

If the permissions were not granted, permissions can be given by clicking on the **Lock** icon on the top left area of the browser.

Make sure that the Camera, Microphone and Location permissions when prompted are allowed.

A blue bar below the banner says 'Choose the correct answer' and 'Time left: 59:25'. The question text is 'Find the least number which when divided by 20, 25, 35 and 40 leaves remainders 14, 19, 29 and 34 respectively'. The answer options are radio buttons next to '1256', '1394', '956', '1056', and 'none of these'. At the bottom, there are three buttons: 'Finish', 'Mark for Review & Next', and 'Clear Response'. To the right of these buttons are 'Prev' and 'Next' navigation buttons. A large green 'Start Test' button is visible at the bottom center of the page.

*The crime was of interest in itself, but that interest was as nothing to me compared to the inconceivable sequel, which afforded me the greatest shock and surprise of any event in my adventurous life. Even now, after this long interval, I find myself thrilling as I think of it, and feeling once more that sudden flood of joy, amazement, and incredulity which utterly submerged my mind.*

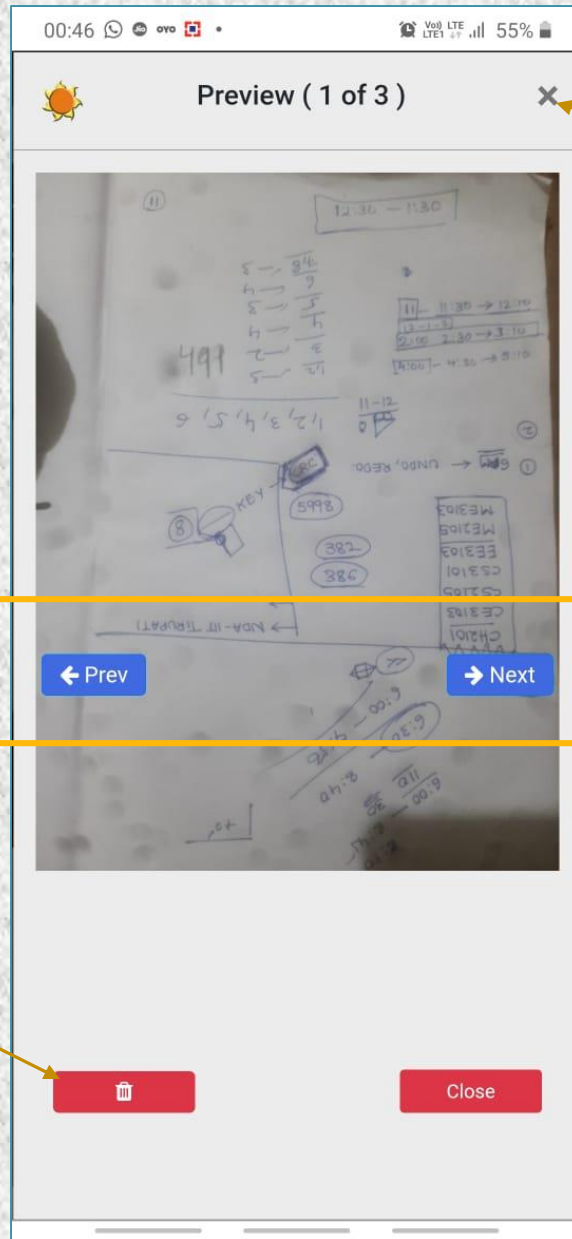

*Let me say to that public which has shown some interest in those glimpses which I have occasionally given them of the thoughts and actions of a very remarkable man, that they are not to blame me if I have not shared my knowledge with them, for I should have considered it my first duty to have done so had I not been barred by a positive prohibition from his own lips, which has only been withdrawn upon the third of last month.*
