1. It is informed that the medical fitness certificate issued by DGS approved Doctor is mandatory for admission to B. Tech (ME), B.Sc. (NS) & DNS programmes in accordance with para 12.1.2 of DGS Circular 12 of 2020 dated 01.04.2020.
2. Accordingly, the candidates are instructed to produce a medical fitness certificate from DGS approved Doctor during certificate verification process for admission to the programmes mentioned in para 1. It has come to the notice of HQ that there is a practice of conducting medical examination at campuses by the campus doctor. This is not in consonance with the policy in vogue.
3. Hence, it is reiterated that the Campus authorities shall verify only the genuineness of the medical certificate issued by the DGS approved doctor during certificate verification.
4. The medical fitness certificate issued by the DGS approved Doctor is considered final for admission to the programmes cited above.
5. This issues with the approval of the Competent Authority.
