Maritime International Conference – MARINCO2019

MARINCO2019 – Maritime International Conference is being jointly organized by Indian Maritime University (IMU) and Academy of Maritime Education and Training (AMET), Chennai on 4th and 5th November 2019 at IMU Headquarters, East Coast Road, Semmencherry, Chennai - 600119, India, in commemoration of the Centenary Year of first Indian Ship SS Loyalty. The major theme of the conference is “Trends in Marine Science and Technology”. The conference would be an ideal platform for the Researchers, Engineers, Scientists, Industry, Professionals and Academia to share the recent advances in the field of Marine Science, Engineering and Technology.

Indian Maritime University

The Indian Maritime University was established through an Act of Parliament (Act 22) in November 2008 as a Central University to play a key role in the development of trained human resource for the maritime sector. The Indian Maritime University headquartered at Chennai has Campuses at Chennai, Mumbai, Kolkata, Visakhapatnam and Cochin. IMU presently offers Diploma, Degree, Postgraduate Diploma, Post Graduate Degree courses, Doctoral Programmes and Post Sea Courses in Nautical Science, Marine Engineering, Naval Architecture & Ocean Engineering, Ship Building & Repair and Maritime Management.

Academy of Maritime Education and Training (Deemed to be University)

India's first Deemed to be University under Section 3 of UGC Act for maritime education, training and research. The Director General of Shipping has accredited University with A1 outstanding Grade for the past FOUR consecutive years for outstanding maritime education and training, which is a rare distinction. Since 25 years AMET has been addressing capacity building to feed national and world industry to support maritime sector. About 4000 students are currently undergoing few specialized courses like – B.Sc. Nautical Science, B.E. Marine Engineering, B.E. Naval Architecture and Offshore Engineering, B.E. Mining Engineering, B.E. Petroleum Engineering, B.E. Electrical and Electronics Engineering (Marine), B.E. Mechanical Engineering (Marine), B.Tech. Food Processing Technology, BBA and MBA (Shipping and Logistics), B.Com. Logistics and Computer Applications, besides post graduate studies and research programmes leading to Ph.D degree.
